

The purpose of **Western Plastics Pioneers** ("WPP") is to preserve the history of the plastic Industry in the Western United States, promote industry initiatives, recognize historic contributors, and provide scholarships to deserving students preparing to enter the plastics industry.

We endeavor to recognize the efforts of individuals as industry pioneers and the significant contributions of those responsible for establishing, creating, and developing our industry. As measured by our membership criteria, you are an ideal candidate for membership. Your experience, knowledge and years of service would be invaluable to our membership and the industry.

The Board of Directors of the **Western Plastics Pioneers** invites you to join us as a member in good standing. You were nominated by the membership committee because of your experience and contributions to the plastics industry. Your long term commitment to the industry has been noted by the Board of Directors.

A **WPP** member can be actively employed or retired. You may qualify for membership having worked with thermosets or thermoplastics in sales, marketing, management, technical, additives, materials, equipment, manufacturing or any combination thereof. Having served the plastics industry for approximately 25 years truly identifies you as an industry pioneer.

The **WPP** Annual Luncheon and other social events provide members the opportunity to renew relationships with industry colleagues and friends. During our annual luncheon we honor inductees into the **WPP Hall of Fame** and recognize the recipient{s} of our annual college scholarship.

Kindest Regards,

Richard Luciano

Membership Committee Chairman
